Certification examinations:

- 220-1001: CompTIA A+ Certification Exam: Core1: to be taken before the start of the first practicum. This certification is mandatory for graduation.
- 220-1002: CompTIA A+ Certification Exam: Core 2: to be taken during the first practicum or before the start of the 2nd practicum.

CompTIA A+ certification is mandatory for graduation from the ITNA program

Other certification examinations should be taken as soon as the student completes the related respective classes and must be completed in the one year program duration. The college will extend the date for certification examinations until October of the same year the program ends.
