

Training Voucher Program

Maximize your Training Budget with Training Vouchers!

Our Training Voucher Programs offer both flexibility and savings on all training courses and services we offer. We have different types of Voucher Packages to suit the specific training needs of your organization and can applied to a variety of training solutions.

**The number of vouchers used for each application will depend on the service options and courses selected.*

Purchase 10 vouchers and save 10%

Purchase 5 vouchers and save 5%

- Expiry Date of 1 year from purchase date
- You maintain the monetary value of vouchers even after it expires
- 1-day course will use 1 voucher, 2-day course will use 2 vouchers

If Your Vouchers Expire...

You have up until the expiry date to register for an upcoming course, even if the course is scheduled after your vouchers expired.

If you are unable to use your vouchers and they expire, we still honour the monetary value of them.

For an example, if you have 1 Training Voucher at a value of \$301.95, you will have a \$301.95 Voucher Credit. We will apply this Voucher Credit to any future course registration.

All you will need to do is pay the difference between the retail prices of the course minus your Voucher Credit.

For course listings visit www.sbccollege.ca/corporate

Please call **(306) 244-6340** or email corporate@sbccollege.ca to register.
